Moderate at birth and bred for practical performance, this bull combines the maternal strength of the Lakota line with the growth and balance of Power Tango. He is the kind that comes easy and grows well, with the look and genetics to work in any herd.

Talk about a combination bull! You can drive a lot of miles trying to find one that does what this guy does. Calved unassisted at 74 lbs from a beautiful Firestorm cow. What more could you ask for?

Sweetheart disposition on this young doll. The Kaptain Rob sire group was outstanding for us. His sire C-T Reputation improves structure and makes great females. Top side of the pedigree also includes the SLGN Yardmaster 125Y bull who was known to sire winners.
